Designs: Judy of JBW Designs has published several lovely new designs.

Three traditional *Sweet Nothings* size, one a larger size and another *Stitchalong*.

JBW 284 - Antique Vases Sampler: A reproduction of an old sampler (possibly 1820 - 1850) owned by Judy. This sampler has the usual elements - two differently styled alphabets, a set of numbers, rows or parts of rows of pretty patterned bands, motifs of animals and various styled vases filled with flowers and all completely surrounded by a border. A larger piece than Judy's usual little *Sweet Nothings* designs. \$25.00

JBW 285 - Christmas Pear Tree: Another of Judy's signature designs - that is, the shape of the designed object being created and filled with little motifs of birds, rabbits, reindeer and hearts. This design is a Christmas tree. And where do the pears fit in? The hanging ornaments on the tree are all little pears! Very clever. \$10.00

(See below - two other motif Christmas tree designs by Judy.)

JBW 286 - Antique Vases Needlework Accessories: The designs for the three needlework accessories - a needlework pocket, a needle case and a scissor fob - are motifs that are from/worked in the lovely sampler described above (*Antique Vases Sampler*). \$10.00

JBW 287 - Reindeer ABC's: Another *Stitchalong* design. This time reindeer of all shapes and sizes are dotted between letters of the alphabet. \$18.50

(See below - two other 'Stitchalong' designs and on the previous page, stitched model of ABC's & Christmas Trees)

JBW 288 - Vintage Ornaments: Three little ornamentals to hang on your Christmas tree or dot amongst your swags of Christmas greenery - Santa's sleigh stacked with Christmas gifts and a Christmas tree : ice skates : a train set, a rocking horse and a window adorned with a Christmas wreath. The Christmas tree is embellished with a tiny red star. Design & Embellishment: \$14.00

As for Facebook - Well, I'm sorry, but I do not have enough hours in a day to look at it or add to it, and so please do not rely on this to keep you informed of what is happening at or what is new at *Heirlooms* or learn when there is a new *Barberrry Row* design. I've had to re-evaluate my priorities.

.... than to stitch with a friend
