

What's New At Heirlooms?

The
New Year
of 2025
Is On
Its Way

Calendars: As per usual, the beautiful LANG & LEGACY calendars for 2025 are stunning!
Do you have a special one for yourself?

Those ladies who have a permanent yearly order for a calendar of their preference have collected theirs, but there are a few still available for purchase from the Needlework Gallery - but only a few!

A reminder of the wonderful features of these calendars -

* Great Art Work - taken from hand painted originals by today's most talented artists.

* The rich, full-colour art work is on linen embossed paper (some pages include inspirational words or verses)

* The days have large grids for writing notes, appointments, recording birthdays, anniversaries, etc.

* Brass grommet to prevent calendar tear

* Free wallpaper for your computer. One new image from your calendar every month

See next few pages for the remaining beautiful calendar choices
