

# What's New At Heirlooms?

**Designs:** As always, lots of new items from Sandie, of *The Sweetheart Tree* - designs with the silver embellishments included and others as complete kits. These are -

**SWT:TK 085 - My Little Tooth Fairy Pillow:** This design is sure to bring a "gap toothed" smile to the face of little ones who have recently lost a tooth. I wonder what the sweet surprise will be for them when they put their precious tooth in the pocket at bedtime and awake in the morning to find something special left from the Tooth Fairy? The gender neutral design is suitable for girls and boys. When worked on a 28 count linen, this little design measures approximately 4½" by 8". "My Little Tooth Fairy Pillow" features a darling, detailed Tooth Fairy and a delicate scalloped border accentuated with multi-coloured pastel buttons and beads. Inside the border you'll find a sweet verse and a tiny pocket to hold the baby tooth. This pillow will surely become one to be passed down to younger brothers and sisters over the years. As always with all Teenie Kits, everything you need to stitch this design is included in the kit. \$47.50

**SWT:TK 086 - Grapes on the Vine:** Another all-inclusive kit - perfect for wine lovers! This piece is to be worked on 28 count 'Platinum' coloured linen in warm and inviting amethyst & green tones. You'll love the sparkling deep purple faceted beads which form a cluster of grapes in the centre - they really shine! Two beautifully detailed borders surround the 'grapes' and are accentuated with Magnifica beads which perfectly match in colour. They add the "bling" factor and suit this stunning design perfectly. \$45.00

**SWT:BP 015 - Pinecones in Winter Biscornu:** This Biscornu features tiny "over-one" pinecones hanging from their stylish pine boughs. One can imagine

this is how they would look when taking a walk through a forest on a snowy winter's day. The all-inclusive kit contains 32 count 'Summer Khaki' linen fabric, threads in deep greens and warm brown tones, sparkling Crystal-Clear paillettes & two snowflake shaped buttons. \$45.00

**SWT:TT 174 - Pinecones in Winter Fob:** The perfect companion piece to match the "Pinecones in Winter Biscornu". Embellishments included with this design are Crystal-Clear Paillettes. Design & Embellishments: \$25.00

SWT:T 175 - *Wine Bottle Grapes Fob*: Perfect for the scissors of wine lovers or wrap it around the neck of a bottle of wine - to be sure, this latter option will create or become a conversation piece! The sparkling deep purple faceted beads which are used to form a cluster of grapes in the centre of the fob are included with the design. Design & Embellishments. \$25.00

SWT:T 176 - *Itty Bitty Kitty - Irish Pot of Gold*: The fifth in a mini-series featuring Sandie's adorable little black kitten. To date the other little designs have featured this dear little feline in different seasonal settings, but in this design she is guarding the full-to-overflowing Pot of Gold left behind by some little Leprechaun. Embellishments included with the design are three tiny white flower beads. Design & Embellishments: \$25.00

SWT:T 177 - *Keep Calm & Freak Out Fob*: This fob depicts Sandie's whacky sense of humour! This two-side fob is based on the old English war saying, "Keep Calm and Carry On", but Sandie has added a more up-to-date sentiment for times when you just need to "Panic and Freak Out". Crystal-Clear paillettes embellishments add a bit of sparkle and are included with the design. Design & Embellishments. \$25.00
